

AS A PATRON OF THE ARTS!...

**** Make a DETERMINED GLOBAL STATEMENT!!****

YOU CAN! With this **Actual and Rare Anthropomorphic 30"x40" Total Eclipse Metallic Image!!** All While Doing Some Global Good! With its Universally Determined Message from Above! **"That Humanity Must Care for and Protect All of the Lifeforms and Natural Resources here on this EARTH!"** EARTH IS Our Humanity's Only Home!!

YOU CAN! With this Rare, Real Anthropomorphic Total Eclipse Image and its **Strong Message from Above!** Make it the **Most Expensive Fine Art Photograph in the World!!** Ripple this message across the World as a **"A True Symbol and Message of Determined Concern to Care for All of the Earth's Life and Resources!"** Versus the current, most expensive image that Now Is, of the backside of a nude woman with two f-holes on her backside! That is the current world record holder for a photograph! Man Ray's "Le Violon" that sold for \$12.4M in May of 2022!

It is time for a Patron of the Arts and Humanity... To Remind All of Us Human Beings, that We Must All Be "Determined" to Take Care of All of the Lifeforms and Resources... that are Now here on this planet **EARTH!...**

EARTH IS Our Humanity's Only Ever Home!!

***Plus this 30"x40" Metallic Art Piece actually Places the Viewer in it!!** All viewers will see their image being subtly captured in and then reflected back at themselves!! When, all the while, they are viewing this amazing, Universally thought provoking, Be Determined Artwork!!

So...Be Determined for **"YesWeAreAllOne"**

We Have Only One Real Home,...Our EARTH!! 🌍

That IS, this Amazing Metallic Artwork's Message!! See It, Feel It! Share in its message With and For All of Us! That...WE ALL MUST Be Determined To Care For and Shepherd All of the Earth's Life Forms and Resources!!

Artist/Messenger: **James Olin Grove (408) 718-9002 Degree in Environmental Studies SJSU Graphics and Exhibits Specialist at NASA.** I Carried the **First Color Images of Earth** over to NASA's Reproduction Branch for distribution to the Public 50 years ago! Later I was **personally given possession of one of the First Moon Rocks**, that was picked up by a **HUMAN hand while on the Moon** and brought back to Earth! I was tasked with and responsible for the designing and having built the versatile and secure **Moon Rock Display Pedestal for the San Francisco 1976 Bicentennial Event!** It was the Most Popular Attraction of that Very Popular Event, for which **NASA gave me an Achievement Award!** An Amazing Journey and to now have this **Truly Iconic Anthropomorphic Determined Total Solar Eclipse "Eye" Watching Over All of Us from Above!** Again... This Impressive Artwork is meant to inspire **All Human Beings to Be Determined To Better Care for All of the Lifeforms and Resources that we Now have here on this Amazing Earth!**

🌍 **EARTH IS OUR HUMANITY'S ONLY HOME!!**
